

Family Support Program Camp Guidelines

- Funding for camp will be deducted from your Family Support Program allotment for the calendar year.
- The family is responsible for:
 - Registering the child for camp (specializing in his/her needs)
 - Completing the Camp Authorization Form.
 - Returning the Camp Authorization Form to **NEON** by email, fax or the address listed below.
- After we approve funding for camp, an approved signed copy of the Camp Authorization Form will be sent to the family and to the camp.
- ***All camp attendance must have prior approval from the Family Support office at NEON.***
- Students with developmental disabilities may qualify for funding for camp through their school district. It is the expectation that those funds be used before requesting funding through CCBDD.
If a student has an IEP and qualifies for Extended School Year (ESY) funding for camp through their school district, ESY funds **must** be used to fund camp until they are exhausted.
- Please note that all camping costs are given on a first come first serve basis.
- Please note that this funding cannot cover the cost of registration fees or before and after care.
- Additional copies of the ***Camp Authorization Form*** can be obtained by the following methods:
 - www.cuyahogabdd.org in the Services & Supports/Family Support Services Section
 - www.neoncog.org in the Families & Individuals/Family Supports Section
 - (800) 237-6828, ext: 110 to request a form.
