NON-VIOLENT PHYSICAL CRISIS INTERVENTION

2012

IMPORTANT:

Registration deadline is ten days prior to class date.

Check out the index to find the program you want and the location index for addresses of the program sites.

There are two different programs offered. There is the initial all day program for people who have never had the training that our trainers have received through the Crisis Prevention Institute, or CPI. There are also half day refresher courses which you can only participate in if you have already completed the full day course. It is recommended that people take a refresher course each year after taking the initial course. You are expected at the program for which you register, unless you call Madonna Hengood to cancel your registration. Class size is limited for all programs.

External agencies:

Registration is through the external registration form. Complete the form and mail to CCBDD, 1275 Lakeside Avenue, Cleveland, Ohio 44114, Attention: Staff Development, or fax to (216) 736-4544.
