Brian Sather named General Manager of Buildings & Grounds

For immediate release February 28, 2017:

Brian Sather will assume the position of general manager of buildings and grounds effective March 1, 2017. He replaces Kevin Devine who retired earlier this month. Sather will be responsible for managing all aspects of buildings and grounds maintenance, including preventative maintenance programs, energy savings and conservation programs, safety inspections, and cleaning and repair requests. He will report to Jacquie Kasprisin, chief operations officer.

In announcing his appointment, Kasprisin stated, "Brian is committed to maintaining the excellent track record we have of assuring our facilities meet strict protocols for safety and cleanliness. He has a wide skill set that will be beneficial in addressing daily and longer-term needs. We are fortunate to have him in this position."

Sather has been with the Cuyahoga County Board of DD since 2012, serving as a HVAC mechanic for four years and, for the past year, as the operations manager. He holds a bachelor's degree in business management from Western Governors University.

A Fairview Park resident, Sather lives with his wife and is the proud father of four boys.

*The Cuyahoga County Board of DD serves more than 14,000 children and adults throughout the county.
It is supported primarily by a local property tax last approved by voters in 2005.*
