

UPDATING PROVIDER CONTACT INFORMATION ON THE DODD WEBSITE

It is required that providers maintain up to date name, address, phone number, and email address with both the Ohio Dept of DD and the Cuyahoga County Board of DD.

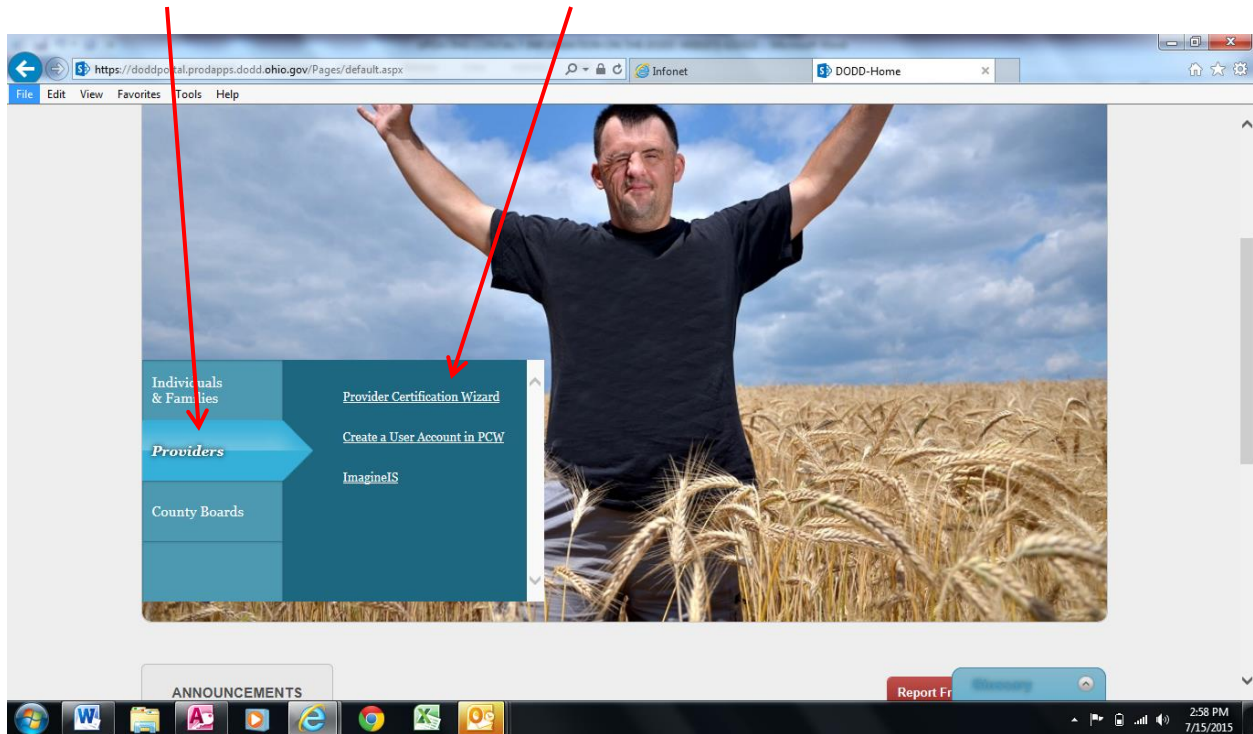

Failure to do so may result in billing problems, failure to receive vital information, and potentially – suspension or loss of certification.

DODD website: <http://dodd.ohio.gov>

Click on Login

Go to **PROVIDERS** and click on **PROVIDER CERTIFICATION WIZARD**

Select Update demographics and make the corrections. There will be some forms you need to print out, sign and upload or fax to DODD on the Downloads page.

Call the Provider Support Line for help if you have questions: 216-931-7474
