

Work of HeART Contest

...in honor of volunteers!

The Cuyahoga County Board of Developmental Disabilities Volunteer program recognizes its most dedicated volunteers at a special event each year. The event always has a theme with artwork carried out on invitations, programs and more. For many years, a volunteer artist, Joyce Hood, created our theme-based artwork. Last year, we showcased artwork by April Lewis, one of our HeARTworks artists. This year, we are trying something new by hosting a contest open to all. We would **love** for individuals served by the CCBDD to create this year's design.

The winning artwork will be featured on our invitation and program. Also, the winner will be invited to attend the event on April 16 where the artwork will be on display. CCBDD will purchase the artwork for \$100 and it will hang permanently in the M.A. Donzella Administration Building. There will also be several prizes for runners-up, valued at \$20. So get out those paints, markers or whatever medium you **love!**

Here are the rules:

- Submit artwork on paper sized 8.5 x 11 or up to 11 x 17.
 - Create a colorful, eye-catching design that represents the theme, **"Volunteers - Touching Hearts, Changing Lives."**
 - If using colored paper, choose fade-resistant over construction paper.
 - Attach the artist's information form carefully to the back of art.
 - Send your artwork flat. Please do not fold.
 - Artwork should be sent to: 1275 Lakeside Ave. East
Cleveland, OH 44114-1129 Attn.: Sue Duffy
- 
- 

Contest Deadline is Valentine's Day, Feb. 14, 2012 (or anytime that week)

Please complete this information and carefully attach the form to the back of the art entry. Questions, call (216) 736-2722.
