

# Candidates Night

**Monday, September 29, 2014**  
**6:30 - 8:45 p.m.**

**Brooklyn Adult Activities Center**  
**10991 Memphis Avenue**

We invite you to attend this event and bring a friend!  
Hear candidates for countywide, state and federal offices explain their views/stands on issues related to developmental disabilities.

We serve more than 8,500 people with developmental disabilities in Cuyahoga County and need consumers, parents, staff and providers to attend this meeting. A substantial turnout at this informative session is critical to show candidates that we are strong advocates and that our issues are of great importance!
